Twister

Optical USB Notebook Mouse

At home, in the office or on the road and you can’t stand working without a mouse? Then you should be using the Twister! This light-weight USB mouse has a curved form for easy use and a rubber surface for a good grip. Its optical surface scan has a resolution of 800 cpi and 3 buttons incl. scroll functionality allow for extremely precise work. For mobile transport you can easily retract the cable and fixate it to the bottom. Enjoy working with this practical mouse.
